

Trigger point massage

(Dry massage)

STOBE's unique whole body care that incorporates a soft manipulation treatment.

Chronic stiffness, poor posture, improved range of motion, etc.

- 30min ¥3630 60min ¥6600
- 90min ¥9900 120min ¥13200

Fatigue recovery

Stiff shoulders, back pain

Body distortion

(All prices include tax)

Aromatherapy massage

(Oil massage)

In oriental medicine, physical disorders are stagnation of qi, blood, and water.

The flow of qi, blood, and water is adjusted, centering on the meridians (paths through which the qi flows) that match the physical condition of the day.

An oil treatment by staff with expertise in muscles and acupoints.

- 60min ¥8800
- 90min ¥12100
- 120min ¥15400

Relax

100% organic oil

Acupuncture

It uses the same size needle as the hair, so there is almost no pain.

Time required about 20 to 60min.

Use of disposable acupuncture.

Staff with national qualifications for acupuncture and moxibustion will provide treatment.

STOBE style cosmetic acupuncture

Tailor-made treatment for each individual.

It stimulates the tissues, cells, and nerves in the back of the skin to work inside the body and bring out the original beauty.

In addition to the face, the recent attention of Oriental medicine and whole body acupuncture and moxibustion treatment will also improve your physical problems.

- 60min ¥11000

Adjust the rhythm of the body and skin in 'tuning cycle'.

Facial treatment

SHISEIDO **Qi**
PROFESSIONAL

Full-scale beauty treatment using
Shiseido beauty salon brand Qi.

Qi is from the "Ki" ENERGY of oriental thought. It is an Oriental thought that beauty is linked to "health of the whole body" and an esthetic that surrounds beauty everywhere.

Shiseido is Japan's oldest cosmetics brand founded in 1872. It is a cosmetics brand that every Japanese knows. A company with a state-of-the-art beauty research institute.

【Qi Facial Treatment】

Based on a treatment that fuses Western-style massage with the basic ideas of the Orient, it will condition the skin and fundamentally improve the causes of age spots and blemishes. By effectively working the whitening fusion ingredient containing natural essence, it suppresses the production of melanin and leads to "clean skin".
